The Automated Donation Option is a facility to simplify the regular processing of tithes and offerings. Harvest Hills Alliance Church has made an arrangement with our bank, the Royal Bank of Canada, to establish a pre-authorized withdrawal service. Using this option, you can approve the automatic withdrawal of regular donations from your personal bank account to the designated church fund of your choice.

This option is offered to you as a personal convenience—your tithe is automatically credited to the church each month. It also provides a more regular cash flow to the church—meaning we can plan for expenditures more effectively.

To enroll in the program, simply fill in the enrollment form on this brochure and put it in the offering plate—or send it to the church office. You provide a voided cheque and specify the amount and frequency of your regular donation, as well as how you want to designate your donation. Harvest Hills Alliance Church does the rest.

You can specify the withdrawal timing to fit your personal finance—**either once or twice a month, choosing either the first and/or the third Monday of each month.** Your bank account can be at any Canadian Chartered Bank, Trust Company, Treasury Branch or Credit Union. Each month you will see your automatic contributions to the Harvest Hills Church on your regular bank statement.

Bring the whole tithe into the store house, that there may be food in my house. Test me in this,” says the Lord Almighty, “and see if I will not throw open the flood gates of heaven and pour out so much blessing that there will not be room enough for it. Malachi 3:10

Automated Donations

A Stewardship Option at Harvest Hills Alliance Church

Still have some questions?

Q Do I have to use this option to make my regular donations?

A No, this is only one of many options available to you. You can continue giving your tithe directly by cash or cheque in an offering envelope.

Q How do I indicate what my tithe is to be used for?

A On the enrollment form you will designate how your gift is to be used, just like on your offering envelopes.

Q What banking information will you have?

A The only information available to us is from the voided personal cheque you provide on enrollment.

Q How secure is my donation information?

A Your donation information will be handled by the church Finance Administrator and Treasurer with the same privacy as the rest of your donation records.

Q Who manages the Automated Donation Option?

A The Harvest Hills Alliance Finance Administrator is responsible to initiate each donation request to the bank.

Q What information is passed on to the Royal Bank?

A As on a personal cheque, only your name, your bank account number, your donation amount, the withdrawal date and the recipient(i.e. The Harvest Hills Alliance Church).

Q Will you be able to take more donations than I agree on?

A Withdrawals from your account will be strictly controlled by what you direct us to do. If we or the bank make an error, we will reimburse the withdrawal and refund any associated bank charges promptly.

Q What if I want to change my regular tithe or designation?

A You can leave a note in the offering plate or call our Finance Administrator at the church during normal office hours.

Q What if I want to make an extra donation?

A You can simply put your extra gift in the offering plate any Sunday—it will not affect your automated donation arrangement.
